Update Exam (Download and Update Data)

The screenshot shows the MS-CIT Online Examination System interface. The top navigation bar includes the MS-CIT logo, the text 'Online Examination MAY 2022', and the date 'Thursday, Jun 09, 2022'. The left sidebar contains icons for Backup, Update Exam, Conduct Exam, Reports, Results Upload, and Surrender Exam. The main content area is titled '6000 - Exam Center Six Thousand, JALGAON' and 'Download And Update Data'. A message states 'No updates available for download.' Below this, a box titled 'Available exam event for update' contains the text 'No exam event available.' A 'Start Download' button is visible at the bottom right. The footer includes 'Empowered by Maharashtra State Board of Technical Education', 'MSBTE ©2022', and 'Developed by PC Technowledge Center Pvt. Ltd.'

1. After starting the MS-CIT Exam Server which is already Registered and Activated, select "Update Exam" option.
2. Please refer to the given image. At present "No updates available for download." message is appearing on the screen under Update Exam (Download and Update Data).
3. This is mainly because no Exam Event is being made live from MSBTE server

Update is Available

The screenshot displays the MS-CIT Online Examination System interface. At the top, it shows 'MS-CIT | MAY 2022' and 'Online Examination'. The date is 'Thursday, Jun 09, 2022'. The user is logged in as '6000 - Exam Center Six Thousand, JALGAON'. A notification banner reads 'Download And Update Data'. Below this, the text says 'Updates are ready.' and 'Select an exam event first and then click on 'Start Download''. A box titled 'Available exam event for update' contains a button labeled 'May 22'. A 'Start Download' button is located at the bottom right of the main content area. The footer includes 'Empowered by Maharashtra State Board of Technical Education', 'MSBTE ©2022', and 'Developed by PC Technowledge Center Pvt. Ltd.'.

1. Once exam event is made live from MSBTE server, Data will be available for Download. Exam Center will see "Updates are ready" as shown in the given image.
2. Once the Data is available, the name of the Exam Event available will be displayed on the same screen.
3. Click on Event Name and then select "Start Download"
4. Data download will start and waiting screen will be displayed.

Downloaded Data

The screenshot shows the MS-CIT Online Examination System interface. At the top left, the banner displays "MS-CIT Online Examination" and "MAY 2022" with a green checkmark. The date "Thursday, Jun 09, 2022" is shown on the top right. The user is logged in as "6000 - Exam Center Six Thousand, JALGAON". A "Download And Update Data" dialog box is open, displaying the message "Updates are ready. Select an exam event first and then click on 'Start Download'." Below this, a box titled "Available exam event for update" shows "May 22" with a green checkmark. A message box on the right says "Your system is updated for May 22 exam event." A yellow arrow points from the "MAY 2022" banner to the "May 22" event in the dialog box.

Once the system is updated "Your System is updated for May 22 event." message will be displayed, where May 22 is the name of the exam event which will change from event to event.

Name of the current active event will always be visible in the banner on the top left side.

First Day Password

The screenshot displays the MS-CIT Online Examination System interface. At the top, it shows 'MS-CIT Online Examination' and 'MAY 2022'. The date is 'Thursday, Jun 09, 2022'. The exam center is '6000 - Exam Center Six Thousand, JALGAON'. The main content area is titled 'Conduct Exam' and lists options: 'Mock', 'Regular', and 'Physically Challenged'. A modal window titled 'First Day Password' is open, displaying the message: 'Your first day password for 08/Jun/2022 is R6c@zX7h%4vA'. A yellow arrow points from the text 'R6c@zX7h%4vA' in the modal to the third step of the list on the right. The footer includes 'Empowered by Maharashtra State Board of Technical Education', 'MSBTE ©2022', and 'Developed by PC Technowledge Center Pvt. Ltd.'.

1. After data is updated and before taking Main MS-CIT Exam, Exam Center is supposed to take MS-CIT Mock Exam on 10+1 Setup compulsorily.
2. Once Mock exam is conducted Exam Center has to select the option "Get First Day Password" to get password for Day 1 of the MS-CIT Exam.
3. Please see given image where first day password for this exam center is provided
4. Once this password is available exam center will be able to start Regular or Physically Challenged candidate's exam for first day with the help of Controller of Exam appointed by MSBTE

Thank you
